HantouchUSA

Exceptional Quality and Service
ISO 9001, 14001

Our Factory, Seoul, South Korea.

Hantouch USA is the North American sales & support office for Hantouch.com

Our 50,000+ sq. ft. factory, located in Seoul Korea, employs 165.

We are currently running 3 touch screen production lines totaling 21,000 sq. ft.

Each production line has it's own 4,050 sq. ft. class 5000 Clean Room. Within each clean room, a class 2000 clean area is reserved for film-to-glass assembly.

Current production capacity is 40,000 touch screens per day. The facility can easily be expanded to add 33-66% additional throughput.

Hantouch.com is a certified vendor for LG-Philips, Samsung and Mitsubishi.

Certified for ISO 9001 in 2002 and ISO 14001 in 2004.

Agencies Approved: UL, CE, MIC, FCC, VCCI

All HantouchUSA products are RoHS compliant.
